This is a continuation of Greek 001. In this course there will be more emphasis on honing the basic grammar and vocabulary of Classical and New Testament Greek. Students will continue to develop their reading proficiency with passages from Greek texts. Completion of the year-long Elementary Greek sequence prepares students to read the works of Homer, Plato, Sophocles, Aristophanes, and more.

Prerequisite: Greek 001 or consent of the instructor (vpopescu@ucdavis.edu).
