A Miracle Language...

Do you know the words Amen, Hutzpah, Alfa-bet, Beth-el, Kosher, Klezmer?
And do you know the names Adam, Emanuel, Rachel, Abraham, Sarah?
They all come from

**HEBREW**

Hebrew is an ancient language that was considered dead for 2000 years. It survived through the biblical language and was revived as a modern language some 150 years ago. Since then, it keeps evolving with new words every day!

It is spoken in modern Israel and around the world.

**Hebrew is FUN & EASY**

Here at UC Davis we learn to read, write and speak Hebrew with books, and through technology at the LLC.

Join one of the Hebrew classes this Fall Quarter, 2013 and open your mind to a fascinating language with a wonderful history and culture.

**HEB 001-Advance beginning Hebrew:**
This class is the first quarter of a year long (or a life time learning) of Modern Hebrew. We will read, write and converse in Hebrew. By the end of the school year, students will acquire a good grasp of the essential grammar of modern Hebrew, a significant level of proficiency in conversation and a good skill of reading and listening comprehension. In addition, students will learn the culture and history that was expressed through the Hebrew language from antiquity until today.

**HEB 021- Intermediate Hebrew**
This class is the intermediate level of modern Hebrew and a continuation of the first year level. We will continue with conversation, an advanced level of reading and listening comprehension. In addition, we will learn some grammar and reading of the biblical text.
Let's have fun and learn Hebrew.
